### **Fine Arts**

- More art supplies (we would accept designated donations for use by the art teacher to purchase additional supplies)
- Donations for the school play
- Various musical instruments: call the office or see Devon Staples for specific needs.

### **Athletics:**

- We are looking to build a new baseball field on campus. The field is being built with donated funds and services, reducing the cost to around \$5000. This will actually help the school save money as we pay about \$3000 per year for field rental. Further donations reducing the cost of the field will produce even more savings. It would be exciting to have home Baseball games on campus and sell concessions, further reducing cost.
- We are seeking sponsorship for athletic uniforms.
- Other baseball needs:
  - 1st base gloves (1-2) - \$50 - \$100 each
  - catcher's gear - \$150 - \$300
  - portable batting cage -\$250 - \$600
  - storage shed - \$300 - \$600

### **Facilities:**

- Playground rubber needs annual replenishing: (\$3000-\$6000)
- Our parking lot needs resurfacing (\$12,000)
- We could use additional storage units.

### **Office:**

- Improved Data Base system to more effectively track donors
- General supplies such as Band aids, Small sponges, and 3 oz. Dixie Cups

### **Maintenance:**

- Wax stripping machine
