The Eagle Backers is an athletic booster club, which is part of the Student Life committee, approved by HCA. This allows us to use HCA's resources and contacts to provide the needed assistance to ALL of our student/athletes. We believe that parental participation is the key to success in achieving these goals.

In addition, the school benefits by having a strong athletic foundation for ALL future Eagle students/athletes.

#### **4) Why don't tuition dollars cover athletics?**

As with any private school a small portion of the school's budget goes towards athletics. The majority of the funding for athletics comes from participation fees and fundraisers. The Eagle Backers goal is to raise a substantial amount of money each year for ALL of our athletic teams that will provide them a competitive advantage both on and off the field. Membership participation is vital to maintain the cost of our fields, equipment, and technology, as well as to keep participation fees as low as possible.

Families in elementary, middle school, and high school at HCA who have a current or future Eagle student/athlete can join the Eagle Backers. The more families we have helping out, the better the athletic program will be for our students/athletes.
