EXPECTATIONS

Respect yourself, your teacher, your classmates, and the classroom. In our class we will live out Matthew 7:12 daily.

Arrive to class on time and prepared for learning. Time will be given daily to allow for you to at least begin your assignment. Use your time wisely.

Gum, prepackaged snacks and water are permissible in class until it becomes a problem. This privilege will be eliminated immediately if trash is left in the room. Bottom line- you will be held accountable for keeping our classroom clean.

You are responsible for your own learning. Complete all assignments in a timely manner and contact me if you have any questions.

We have 50 minutes each day to focus on learning math! To ensure that phones are not distracting during that time, they are to be turned in to the phone slots at the beginning of class. They can be picked up at the end of class.

BEHAVIOR POLICY

3 STRIKES. YOU'RE OUT.

WARNING!

I will verbally warn you when you've broken a rule. You will also earn a negative ClassDojo point.
