# TUITION REDUCTION PROGRAM (TRP)

TRP is a **FREE** program that **PAYS YOU REBATE MONEY** for buying gas, groceries, clothing, restaurant food, airline tickets, hotels, and much more. If you are already paying for these things anyway, sign up to get money back from these everyday purchases.

Vendors ‘rebate’ a percentage of the value of gift cards you purchase in the form of tuition credit. Examples:

Purchase	Percentage Paid	Tuition Credit
\$100 Amazon	2.5%	\$ 2.50
\$100 Meijer	4%	\$ 4.00
\$100 Kohls	4%	\$ 4.00
\$100 Speedway Gas	4%	\$ 4.00
\$100 Panera Card	9%	\$ 9.00
\$100 Celebrity Cruise Lines	9%	\$ 9.00
\$100 Barnes and Noble	11%	\$11.00

There are **THOUSANDS** of vendors to choose from!

As you can see from the above examples, gas and groceries alone could easily earn you \$20.00 a month in free tuition. This more than pays for your re-enrollment fee next Spring, if you are consistent. We have families earning over \$100 *per month*! Use this program at Christmastime (think Amazon, iTunes, Starbucks, and miscellaneous gift cards) to get an easy boost in your account. Friends and family may also enroll under your name, which can double/triple your tuition credits.

**If you do not need to reduce your tuition, would you do TRP to help someone else? There are several families (or our scholarship fund) who would love your help. 😊**

Paper order forms are available in the office and will also be included in every order you receive. All orders for physical gift cards are due by 3 pm every Tuesday (alternate Tuesdays in the summer months). Physical gift cards are then delivered to school the following Tuesday for pickup, often before school.

### **PRESTO PAY - Can't wait a week for your scrip order?**

**Presto Pay** is by far the easiest way to earn credits fast. It is TRP's version of Paypal. By linking your checking/savings to your TRP account you can order and use gift cards without waiting a week for the physical cards to arrive at school:

- "ScripNow" enables you to order giftcards online and get them within 2 minutes from the time you place the order. After confirmation of the order you simply print a gift card right from your home printer OR if you used the smart phone app, "MyScripWallet" a cashier can scan the giftcard barcode right from your phone for payment. (Order right from the Walmart parking lot!)
- "Reload" is a 12-18 hour process that enables you to reload funds on a physical card that you previously purchased from HCA.
- "Physical" cards ordered can be paid with PrestoPay too. The physical cards will be delivered to the HCA office every Tuesday by 3 pm the same as if you would pay by check, above.

PrestoPay enrollment instructions are on the ShopwithScrip website. It involves entering your checking or savings account numbers to link the program to your source of payment. Within 24-48 hours they will make 2 very small deposits into your designated account. You will need to enter these amounts where you are prompted on the website and then receive a verification/approval code. Roger Martin, our TRP coordinator, will need to know this code so be sure to contact him with that information: [ROGER.A.MARTIN@ZOETIS.COM](mailto:ROGER.A.MARTIN@ZOETIS.COM) OR 269-349-4903. When he receives this information you are ready to earn tuition credits at the click of a computer or phone!

**Important Notes:** Credits are applied to your account every month, *however*, there is a 3-4 month lag time after you begin the program for your credits to show up. (Heritage must wait for the program to pay us before we can credit you.) Therefore, if you start the program in September your first credits may not show up until December or January, but if you use the program consistently you will see credits every month after this initial lag in payments.

**Because we assume every family will participate, you will see TRP Credit on every billing statement. If you don't use this program your credits will be \$0.**
