

Preparing Students to Serve HIM

Dear Parents and Students,

Our Jr./Sr. Banquet is quickly approaching. In order to keep these events special we want to communicate the dress code in advance so that there is no misunderstanding that detracts from the event. Please keep in mind the following standards:

HCA Formal Events Dress Code:

Ladies - Formal attire should cover the body from the top of the cleavage to *no shorter than 4” above the top of the knee* (a hand width) with fabric that is not see-through. The back of the dress must be fabric that is not see-through and come as high as to cover traditional undergarments. Strapless dresses are allowed if they meet the above requirements. The highest point of a slit in a dress is considered the length.

Gentlemen – Attire should include formal dress slacks, a collared shirt and nice shoes and socks and not include earrings or other facial jewelry.

***For items not specifically mentioned above, general daily dress code standards still apply.**

***Ladies – Dresses must be pre-approved by Mrs. Simpson. Please bring in your dress or a picture of you in your dress (showing both front and back) by two days before the banquet.**

Homecoming Game Dress Code:

Class Ambassadors or other official homecoming presenters - Attire must meet school dress code standards. If wearing formal wear, you must adhere to the formal dress code standards listed above.

Students who are fans only – Attire must meet school dress code standards.

***Students who do not meet dress code standards will be denied admittance to the event until requirements are met.**

***Reminder: Non-HCA guests who attend formal events are not exempt from the above dress code standards or its consequences. In order to bring a non-HCA student as a guest to the Homecoming Banquet or Jr./Sr. Banquet, you must complete an Activity Consent Form available in the school office.**

Sincerely,

Jason Miner
HCA Administrator
